Graduate Certificates and Graduate Diplomas shown here are standalone courses only (those not linked to a parent Master's course). For a full list of Graduate Certificate and Graduate Diploma options (including those embedded within Master's courses), refer to the UTS Handbook.

Symbols indicate when related courses (e.g. Graduate Certificate or Graduate Diploma options) are available. See the Key for full explanations.

≥ means "equal to or greater than"

The **Additional Information** column provides important course-specific notes such as work experience requirements or equivalent entry pathways.

Applicants required to demonstrate **professional work experience** must submit a CV and Statement of Service.

Fees shown are based on 24 credit points per session. Fees are correct for 2026 only and are subject to an increase each calendar year.
