TRANSDISCIPLINARY INNOVATION																							
COMBINED COURSE – BACHELOR OF CREATIVE INTELLIGENCE AND INNOVATION																							
A Bachelor of Creative Intelligence and Innovation is packaged as a combined degree with bachelor's degrees from other faculties. For more information, refer to uts.edu.au/for-students/transdisciplinary-innovation/creative-intelligence-and-innovation																							
COMBINED COURSE – DIPLOMA IN INNOVATION																							
The Diploma in Innovation (C20060) can be packaged with bachelor's degrees from other faculties. The course is not offered as a stand-alone degree and must be taken concurrently with an undergraduate coursework degree at UTS. Submission of a direct application form is required. For more information, refer to uts.edu.au/courses/diploma-in-innovation																							
NON-AWARD PROGRAMS

KEY

SYMBOL	EXPLANATION
●	Different majors are available within this course. Students can choose from a range of specialisations depending on their interests and career goals. *See the UTS Handbook for the full list of majors*.
■	Combined degree options are available, allowing students to study two degrees simultaneously. *See the UTS Handbook for full combined degree options.*
▶	An honours option is available, providing the opportunity to undertake an additional year of advanced study.
🔒	This course includes short teaching sessions and has a non-standard credit point loading, which means the course structure and duration may differ from standard degrees.
◆	This course may include short teaching sessions.
