

Use this form to notify of your intention to submit your thesis for examination. This form should be filled in at least 2 months before your thesis submission.

For this form you will need to provide the following information:

- Provide the date you intend to submit your thesis for examination
- Check your thesis title

The form is broken down into 3 sections:

1. Candidature Details
2. Intention to Submit Thesis Details
3. Student Declaration

1. Under **Candidature Details**, please check your candidature details populated by the system. If your supervisor panel is incorrect, please follow the instruction on the form. Also, please answer **the End user engagement** section of the form. If you have undertaken a research internship as part of your candidature, and you have a written agreement, you are asked to upload it on this page.

Current EWS date

Your intention to submit can't be after this date

The date on which the thesis documents, the supervisor certificate, and the student statement are received by GRS is the date recorded as the official thesis submission date.

If you need an extension please check the [Extension of Candidature Guidelines](#) for eligibility and submit an [Extension of Candidature](#) form as soon as possible.

Please note failure to submit your thesis before or on your EWS date may incur fees.

Please refer to the [Graduate Research Candidature Management, Thesis Preparation and Submission Procedures](#) for further information.

Date you wish to submit your thesis (intention to submit date) *

Enter your intention to submit date here

Current thesis title

****Test Thesis Title****

Please also answer confidentiality and other information question related to your candidature on this page.

3. Under **Student Declaration**, please read and select “I agree”, then

3. Student Declaration

I hereby give notice that I intend to submit my thesis in accordance with the University's rules for the award of research degree by thesis, [Student Rules 11.17.1](#). *
