

## Breathlessness in Cancer Symptom Management & Palliative Care

### CONCEPT DEVELOPMENT WORKSHOP

**Friday 23rd November 2018**  
12.00-4.15pm  
Rendevous Hotel Sydney Central

#### FACULTY MEMBERS:

- Professor Miriam Johnson Hull University (right)
- Professor David Currow University of Technology Sydney
- Dr Peter Allcroft Southern Adelaide Palliative Services

This half day workshop will help clinical investigators develop new cancer supportive care clinical trial concepts. It will provide information, advice and guidance on how to develop a concept outline from an initial idea or clinical question by specifying a suitable aim, objectives, population, interventions, study design, outcome measures, sample size, analysis plan and funding strategy, as well as further tips and hints on developing your proposal into a funding application and full study protocol.

#### WHO SHOULD ATTEND?

This workshop is designed for investigators who have an idea for a clinical trial and are suitably qualified individuals pursuing clinical research. Investigators from any cancer therapeutic area or discipline are able to attend.

[Register here via Eventbrite.](#)

#### CALL FOR NEW CONCEPTS

A call for new concepts is now open using the CST or PaCCSC templates. Concepts due **COB Monday 12 November** to [Linda.Brown@uts.edu.au](mailto:Linda.Brown@uts.edu.au)

E: [CST@uts.edu.au](mailto:CST@uts.edu.au)  
W: [uts.edu.au/CST](http://uts.edu.au/CST)
