New Graduate Program

Sheila Collins
Clinical Support Services Manager

- Located on Missenden Road, Camperdown
- Opposite RPA and adjacent to The University of Sydney
- •2021 will be our 5th New Graduate intake

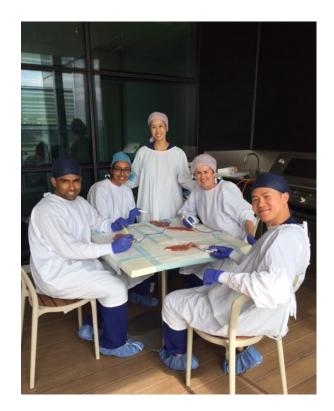

Lifehouse in numbers

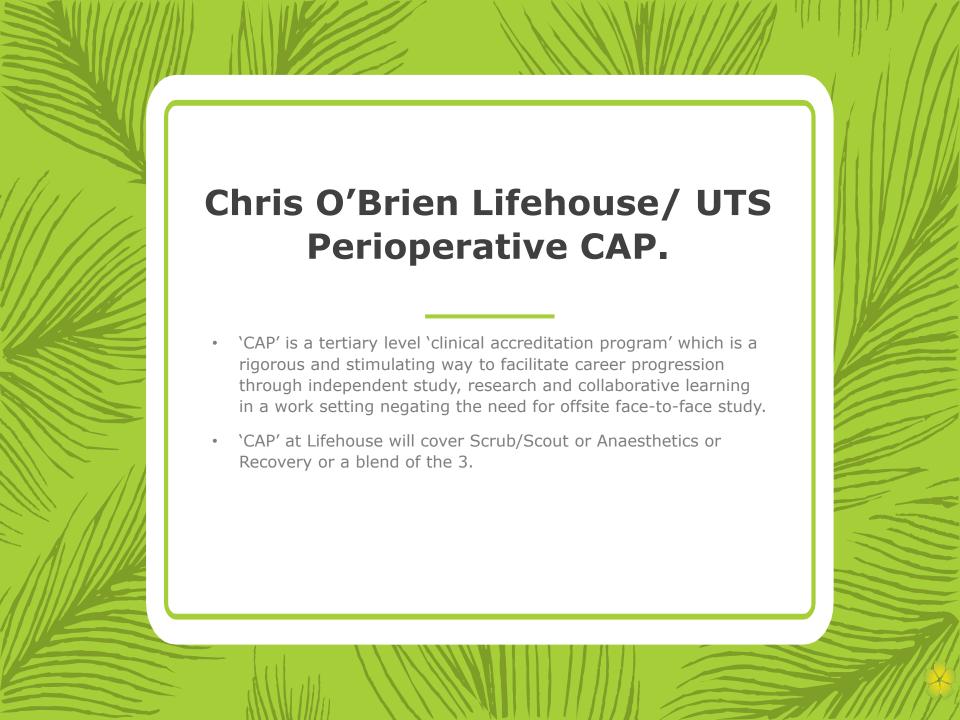

- Number of patients: around 42,000 a year, including screening and those who are not found to have cancer
- Number of beds: 125
- Number of intensive care beds: 18
- Number of theatres: 8
- Number of linear accelerators: 5
- Number of clinical trials: around 40
- Number of research projects: around 100
- Number of staff: around 600

New Graduate program

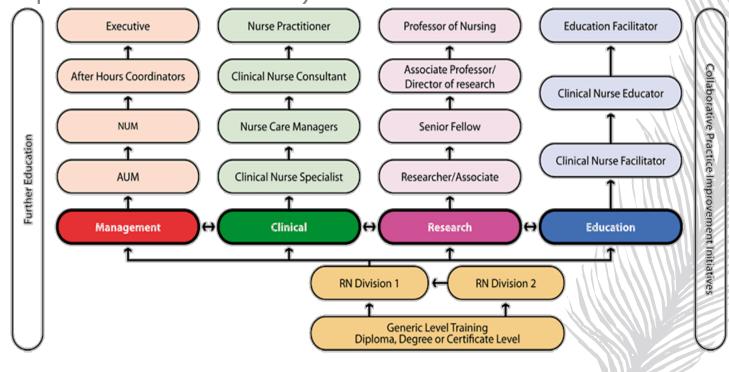

- •We are offering a 2 year, 72 hr/fn contract
- Supernumerary time at commencement
- •Two 6 month rotations Medical, surgical, Day Therapy
- Perioperative stream
- 4 study days per year
- Monthly New Graduate meetings

 This is a great way to develop your professional portfolio for career development/CV, Clinical Nurse Specialist applications or potentially exploring new practice areas or levels of practice (perhaps Nurse Practitioner?)

Perioperative CAP program

Lifehouse is currently incorporating the CAP course into our New Graduate professional development pathway.

What does this mean for me?

- This mean that by the time you have completed your Perioperative New Graduate placement with Chris O'Brien Lifehouse you will have completed 1 of 4 subjects required for postgraduate study at UTS.
- Normally New Graduates are excluded from participating in postgraduate studies until a minimum of 2nd year of practice.
- This means:

You can fast track your career!

UTS and the assurance of RPL

(recognized for 10 years after course completion (**)

I am pleased to confirm that the submission for credit recognition for the Perioperative CAP (Anaesthetics/Recovery or Circulating/Instrument) was considered and approved by the UTS Faculty of Health on 11 November 2019.

Credit recognition was granted for a period from 1 December 2019 until 30 November 2022. Students who provide evidence of satisfactorily completing the Chris O'Brien Lifehouse Perioperative CAP shall be granted credit for the subject 92869 or 96320 Specialty Clinical Practice [6 credit points] in any PG Nursing Course at UTS within the recommended UTS RPL time period.

Kevin Peters Committee Officer UTS Faculty of Health

2 competencies	Fri week 18					
3 case study	Mon week 12					
4 final portfolio						
& evidence of learning goals						
& reflection	Mor	n week 20				

- The Lifehouse CAP is set over a generous 5 month timeframe to allow for participant engagement and facilitate advanced level clinical and academic outcomes.
- A dedicated CAP coordinator is also available for course support and 1-to-1 mentorship, facilitation and assessment support.

Check the requirements on the website

https://www.mylifehouse.org.au/about-lifehouse/careers/

- Applications open
- Monday 22nd June 2020
- Applications close
- Friday 31st July 2020
