

# Declaration for Child Related Work – Tertiary Practicum Students

In addition to the Working With Children Check, you will need to have your WWCC verified by the Department of Education by completing the [Declaration for Child Related Work – Tertiary Practicum Students](#), then once you receive your confirmation, please upload a screenshot of the verification email to the check below.

## Important Information

- You can access the [DoE WWCC Requirements for Tertiary Practicum Students Factsheet](#) for further information, particularly noting Step 3.
- The verification process can take up to 10 days or more for clearance, please ensure you allow enough time to receive your verification email prior to placement.
- No student will be able to commence their placement without the verification email from the DoE Probity Unit.
