

## 2024 Business Subject Guide

### Study Abroad and Exchange

Study Abroad and Exchange students may choose subjects from more than one faculty at UTS.

This guide highlights our most popular Business subjects. You can also search for other subjects and majors using the [UTS Handbook](#) and UTS Business website: <https://www.uts.edu.au/about/uts-business-school>

Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Final enrolment into subjects is conditional upon class availabilities and completion of the online enrolment process.

### When can I study?

Study Abroad and Exchange is available:

Period	Category	Period	Category
February – June	A: Autumn Session	July – November	S: Spring Session

For availability of subjects, check the timetable at <https://www.uts.edu.au/current-students/timetable/uts-timetable-planner>

### What can I study?

#### Pre-approved subject list

This is a great place to start! All subjects in this list are:

- Pre-approved and automatically added in your study plan
- No need to add them in your application
- You can self-enrol once you activate your student account
- No additional subject assessments will be required

#### Faculty assessed subjects

These are subjects that require prior knowledge. Visit the [Business subjects](#) page for the full range of subjects. You will need to:

- List the subjects in your application
- Demonstrate that you have the prior skills and knowledge necessary to undertake the subject (academic transcript and subject outline)
- Check prerequisites in the UTS Handbook [www.handbook.uts.edu.au](http://www.handbook.uts.edu.au)
- Please note that undergraduate students are not permitted to study postgraduate subjects

Note: Each subject will be individually assessed by the faculty for approval and it can take up to 6 weeks.
