

2025 Business Subject Guide

Study Abroad and Exchange

Study Abroad and Exchange students may choose subjects from more than one faculty at UTS.

This guide highlights our most popular Business subjects. You can also search for other subjects and majors using the [UTS Handbook](#) and UTS Business website: <https://www.uts.edu.au/about/uts-business-school>

Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Final enrolment into subjects is conditional upon class availabilities and completion of the online enrolment process.
