

## UTS Prize Conditions of Award

### Care in the City Best Design Prize

#### Faculty: Design, Architecture and Building

This document sets out the conditions of award for the below prize ('Prize') and the obligations of recipients ('Recipient') and the University of Technology Sydney ('UTS') in regards to this Prize. The administrative processes to support awarding this Prize will be managed, and may be amended, in accordance with UTS Rules, Policy and Procedures.

#### **1. PRIZE NAME: Care in the City Best Design Prize**

**2. PURPOSE:** The Care in the City Best Design Prize will be awarded to the highest achieving undergraduate architecture student enrolled in the Care in the City design studio elective. This elective is focused on redesigning existing spaces that utilise inclusive design to create safe and responsive spaces for marginalised groups because of their age or ability.

The Prize is supported by OC Leow and YH Chuah who believe in the transformation of individuals through education.

#### **3. VALUE AND BENEFIT**

##### **3.1 Number of Recipients:**

- One (1) recipient will be awarded the Prize at the end of each calendar year.

##### **3.2 Benefit/s to Recipient:**

- The award will be in the form of a cash prize of \$4,000.
- A certificate of award will be presented to the Recipient on the completion of the course.

##### **3.3 Payment of benefit/s:**

- The Recipient will receive one payment of \$4,000 by electronic funds transfer to their nominated bank account.

#### **4. ELIGIBILITY CRITERIA:**

To be eligible for the Prize, a candidate must meet all of the following criteria:

- Must be enrolled in an undergraduate architecture degree and;
- The Recipient must be enrolled in a UTS architecture course and have received a result in subject 86160 Care in the City Studio subject in the academic year for which the prize is being awarded.
- Have completed the Care in the City studio elective 86160.

#### **5. RECIPIENT SELECTION CRITERIA, IN PRIORITY ORDER:**

- The Prize will be awarded to the student who has obtained the highest final aggregate mark awarded in the design studio elective: **Care in the City (86160)**.
- In the event that two or more eligible students have the same highest aggregate mark, the prize will be split and jointly awarded to the equally ranked candidates.

## **6. SELECTION:**

- The student(s) with the highest aggregate mark will be nominated by Faculty Academic Programs Office according to the eligibility and recipient selection criteria as provided in clause 4 and 5;
- In the event that two or more eligible students have the same highest aggregate mark, a selection committee of a minimum of two (2) people will select a Recipient based on the specified selection criteria in clause 5;
- The endorsed Recipient will then be formally approved or declined by the Design, Architecture, and Building Faculty Board based upon the selection criteria in clauses 5.

## **7. OTHER CONDITIONS:** None
