# Anaphylaxis e-Training

All students undertaking placement in a school are required to complete the anaphylaxis e-training prior to placement. Training must be completed with the Australasian Society of Clinical Immunology and Allergy (ASCIA). We do not accept the DoE version of the anaphylaxis e-training anymore.

Important Information

- Validation of the certificate will occur once you demonstrate the correct use of a trainer EpiPen at your placement school.
- Anaphylaxis training needs to be completed every two (2) years.
- The e-Training course takes approximately 1.5 hours to complete.
- You may complete refresher training every 6 months (refresher training around 20 minutes). Please note that this does not replace the initial ASCIA Anaphylaxis e-Training course.
- If you have difficulty accessing your ASCIA account, please visit the ASCIA Help page.
