

# UTS Prize Conditions of Award

## Australian Acupuncture and Chinese Medicine Association Prize

### Faculty: Science

This document sets out the conditions of award for the below prize ('Prize') and the obligations of recipients ('Recipient') and UTS in regards to this Prize. The administrative processes to support awarding this Prize will be managed, and may be amended, in accordance with UTS Rules, Policy and Procedures.

#### **1. PRIZE NAME: Australian Acupuncture and Chinese Medicine Association Prize**

#### **2. PURPOSE**

To recognize and reward the highest achieving graduating student from undergraduate Traditional Chinese Medicine programs.

#### **3. VALUE AND BENEFIT**

##### **3.1 Number of Recipients:**

One (1) Recipient will be awarded the Prize each year.

##### **3.2 Benefit/s to Recipient:**

The value of the Prize to the Recipient is \$370, and is comprised of a book voucher plus a one year complimentary membership of the Australian Acupuncture Association Ltd.

##### **3.3 Payment of benefit/s:**

- The Recipient will receive a book voucher to the value of \$250.
- The Recipient will receive a one year complimentary membership of the Australian Acupuncture Association Ltd to the value of \$120.
- A certificate of award will be presented to the Recipient at the Science Scholarship and Prize Giving Ceremony.

#### **4. ELIGIBILITY CRITERIA**

The Recipient must:

- graduate from either C10186 Bachelor of Health Science in Traditional Chinese Medicine course or C10164 Bachelor of Health Science in Traditional Chinese Medicine Bachelor of Arts in International Studies in the year for which the award is made.
- the final overall result received must be a minimum WAM of 75/D.

#### **5. RECIPIENT SELECTION CRITERIA, IN PRIORITY ORDER**

- The highest weighted average mark awarded for all subjects in the C10186 Bachelor of Health Science in Traditional Chinese Medicine or the Traditional Chinese Medicine subjects in C10164 Bachelor of Health Science in Traditional Chinese Medicine Bachelor of Arts in International Studies.
- In the event that two or more eligible students have the same highest weighted average mark, the following criteria will be considered:
  - Performance in Traditional Chinese Medicine Subjects outside of formal assessment that demonstrates mastery of and engagement in the subjects;
  - Overall performance in the student's award course, including whether the student has failed subjects, received academic cautions or had a finding of misconduct made against them.

## **6. SELECTION**

- The Recipient with the highest weighted average mark will be identified according to the eligibility and recipient selection criteria as provided in clauses 4 and 5;
- In the event that two or more eligible students have the same highest final mark, a selection committee chaired by the Dean (or nominee) together with a minimum of two (2) people will select a recipient based on the specified selection criteria in clause 5;
- The nominated Recipient will then be formally approved or declined by Faculty of Science based upon the selection criteria in clauses 5 and 7.

## **7. OTHER CONDITIONS**

The Faculty of Science may decline to offer the award to a Recipient who achieves the highest weighted average mark where the WAM is less than 75/D.
