UTS is a member of the Australian Technology Network (ATN), an influential alliance of six distinctive and prominent Australian universities. ATN is committed to forging partnerships with industry and

government to deliver practical results through focused research. The Network educates graduates who are ready to enter their chosen profession, dedicated to the pursuit of knowledge and eager to claim a stake in building sustainable societies of the future.

Acknowledgment of Traditional Owners

We recognise the Gadigal people of the Eora nation as the Traditional Owners and holders of knowledge of the places where our campus stands. We acknowledge elders both past and present and recognise the contribution that Indigenous people make to the academic and cultural life of the university.

At the University of Technology Sydney, we think differently. We take a global approach to education, driven by innovation and social justice.

UTS is also committed to sustainability, responding to environmental, social and economic challenges by setting goals, finding solutions and taking action.

Welcome to Sydney

Imagine waking up in Australia's most dynamic, cosmopolitan and dazzling city. Home to beautiful beaches, a bustling CBD and some of Australia's most famous landmarks - Sydney's got it all!

“Studying at UTS and living in Sydney definitely lived up to my expectations. The study abroad experience has made me want to come back to Sydney in the future and explore more of Australia. Sydney is such a unique city with its climate and multicultural environment.”

Emma, Norway

A world-class city

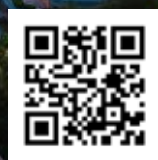

With its famous harbour, sandy beaches, national parks, and bustling downtown, there are many unique places to explore in Sydney. Our campus is only 30 minutes by public transport to some famous beaches, including Bondi Beach. You'll have numerous opportunities to travel – within the city and beyond!

Connected to everything

At UTS, you're only a few minutes' walk away from Sydney's transport hubs: Central Station and Railway Square. There are plenty of clean, reliable and safe transport options connecting you to the rest of our great city, including buses, trains and light rail. UTS is also walking distance to the CBD, Darling Harbour, shopping, cafes, restaurants, sport, culture and nightlife.

Opportunities on your doorstep

At UTS, you'll study in the heart of Australia's business capital. Sydney is the place to be an entrepreneur, with 60 per cent of Australia's start-ups. UTS is located in Sydney's energetic digital and creative industries hub, home to more than 40 per cent of Sydney's digital and creative industries.

The UTS difference

When you study at UTS as a study abroad or exchange student, you join a community of inspired students and staff who are shaping the future.

Each year we welcome more than 1000 study abroad and exchange students from around the world – just like you. With students from 120 different countries, UTS is an exciting place to be!

UTS at a glance*

45,200 students

11,900 international students

33,100 undergraduate students

9700 postgraduate coursework students

1100 incoming study abroad and exchange students

* Data for 2021 is at March 2022

Learning with you at the centre

Your learning experience at UTS may be different to that at your institution. This is because we have flipped the way you learn on its head. No more one-directional lectures or teacher-knows-all, but an approach that puts you at the centre of your learning experience. We do this through collaborative projects, real-life case studies, and the integration of technology into everyday teaching.

UTS's model of learning is award-winning. We hope that it will excite you and leave you equipped for a life full of ongoing learning and development.

“The best thing about UTS was all its modern facilities and the international environment! At UTS you get to meet people from all over the world exploring different cultures first-hand and making friends from all over the world.”

Emma, Norway

Experience the lifestyle

Imagine: one or two semesters of exceptional education in the heart of Sydney with great weather, beautiful beaches, and endless opportunities and adventure. Welcome to UTS!

Top five things to do in and around Sydney

01

Try cuisine from around the world at a diverse range of restaurants and cafes – all within close proximity to UTS.

02

Go sport-mad like an Aussie! Catch a game of cricket, tennis, rugby league or Australian rules footy (AFL) at one of our many sporting grounds.

03

Venture to the World Heritage-listed Blue Mountains or the beautiful Royal National Park for bushwalking and spectacular scenery.

04

Walk the Coogee to Bondi Beach coastal track and cool off with a swim along the way (between the flags, of course!).

05

Explore the unique heritage of The Rocks around Sydney Harbour and take a ferry to Taronga Park Zoo to see some Australian native animals.

Our campus

Located in the heart of Sydney, our purpose-built campus has transformed the Broadway precinct – and it's designed to transform your study experience too.

UTS Central

UTS Broadway campus

Our Broadway campus is home to state-of-the-art teaching facilities, world-class labs, vibrant student spaces, a brand new library and the green heart of our campus - the Alumni Green. Our newest addition, UTS Central, is a hub of activity that reflects our commitment to learning innovation, industry collaboration and sustainability.

Alumni Green

Vicki Sara Science Building

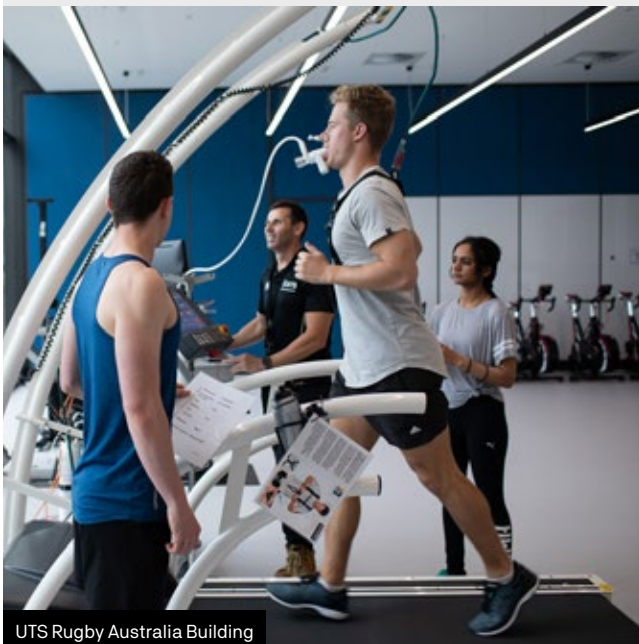

[UTS 360 virtual campus tour
tour.uts.edu.au](https://tour.uts.edu.au)

UTS Haymarket campus

Haymarket, an historic district next to Sydney's Chinatown, is rapidly transforming into a hub of creativity and entrepreneurship. It's well known for the Frank Gehry-designed UTS Business School where dynamic learning, research and collaboration come to life.

UTS Business School

UTS Rugby Australia Building

UTS Moore Park campus

Moore Park is Sydney's premier sporting precinct. Home to the Rugby Australia Building, this state-of-the-art sport and education hub represents the first time that university programs have been integrated within an Australian elite sporting precinct.

Our facilities

Study in award-winning labs and collaborative classrooms and work with the tools and technologies that are shaping your industry.

Data Arena

Data comes to life in the interactive UTS Data Arena, a unique 3D environment for the exploration and visualisation of complex information. Stereo, video and incredible picture clarity make for a one-of-a-kind immersive experience.

Sports facilities

The Ross Milbourne Sports Hall brings recreational, social and academic opportunities to the heart of the city campus. The indoor court accommodates a variety of sports, including badminton, basketball, netball, volleyball, indoor soccer and martial arts. On the mezzanine level about the court, there is a dance studio and fully equipped gym.

Crime scene lab

Aspiring forensic scientists and crime scene investigators at UTS have access to a unique crime scene simulation lab. Set up like a city apartment, the lab provides students with practical experience in crime scene investigations.

Learn more about our specialist facilities

uts.edu.au/campus-specialist-facilities

Hive Superlab

This world-class collaborative bioscience lab can accommodate up to 270 students in up to seven different classes, simultaneously. Specialist audiovisual facilities, including bone-conduction headphones, enable simultaneous teaching instruction and peer collaboration.

Fashion studio

This dedicated studio houses spaces for patternmaking, cutting, construction and more. Throw in mannequins, industrial sewing machines and a range of fabrication equipment and you'll have everything you need to bring your first fashion collection to life.

Moot courts

Practise your advocacy and mooting skills in our purpose-built moot and trial courts. These simulated facilities have been designed to reflect the real-life experience of arguing the law in the NSW Supreme, District and Local courts.

Leap into life at UTS

At UTS, we prepare you for life, not just work. And there's a world of opportunity waiting for you on campus!

“One thing I liked most about studying at UTS was all the services that the campus offers, such as the library, private or group study spaces where you can study with friends, and events organised by the university every week.”

Laura, Italy

Unleash your inner entrepreneur with UTS Startups. No matter which degree you study, you'll be inspired with events, masterclasses, internships, and the opportunity to join our fast-growing startup community.

startups.uts.edu.au

Find your people. Whoever you are, whatever you're into there's a UTS club or society for you. With online and face-to-face events now on offer, there are countless ways to get involved.

activateuts.com.au/clubs

Leap into life at UTS

Start planning your future. Want to find a casual job or an internship during your study abroad or exchange session? UTS careers can assist with advice, resume writing, interview practice and a range of other services.

careers.uts.edu.au

Get social with ActivateUTS. Join one of more than 300 events every year, make new friends at O'Day or O'Fest, enjoy livestreamed uni sports, or get your friends together for themed trivia or free food events, to name a few.

activateuts.com.au/events

Join Team UTS. Whether you're looking for competitive sports, a recreational game or to get fit in a supportive gym environment, UTS Sport can help your inner athlete shine.

activateuts.com.au/sport

Support services

We've got a range of free support services to help you settle into life in Sydney and at UTS!

Dedicated support. You've travelled a long way from home to be here. At UTS International, we're here to help you settle in, stay happy and healthy, and achieve academic success. We provide friendly advice and assistance to all international, study abroad and exchange students. You'll find us in UTS Building 1, Level 3A.

studyabroad-exchange.uts.edu.au

Getting started. Orientation is your chance to learn about our support services, make friends and gain insider tips on living in Sydney. Join us for seminars, workshops, tours and social events online and on campus. Look out for our friendly Peer Networkers; they're there to answer questions and help you find your way around campus!

orientation.uts.edu.au

Support services

Study support. We all need a bit of extra support with our studies at times. At UTS, we provide you with tailored support to develop your academic and professional language skills while you study. UTS HELPS can also help you develop your writing, reading and speaking skills through free one-on-one consultations, workshops and informal conversation classes.

helps.uts.edu.au

Taking care of your health. The UTS Health Service is our on-campus medical centre offering confidential consultations for students and alumni. There's also our confidential counselling service to help you through the pressures of study, work and life.

uts.edu.au/current-students/support

Your program options

We offer a variety of study abroad and exchange options, from full-time English language courses to coursework programs of one or two teaching sessions.

Whether you're interested in enrolling in standard classes or improving your English, you'll find a program to suit your needs.

Thinking of taking a gap year between high school and university? As a high school graduate, you may be able to join the study abroad program at UTS before you commence university in your home country! To find out if you meet the entry requirements, and for information on fees and how to apply, visit our website.

Option 01

Student exchange

- open to eligible students who are enrolled at an official UTS exchange partner institution
- enrol in full-time studies and gain credit at UTS for one or two teaching sessions with the approval of your home university
- you are not required to pay tuition fees to UTS, but may still have to pay regular fees at your home university

uts.edu.au/exchange-partners

Option 02

Study abroad 18 to 24

- open to students from any recognised university, or high school (conditions apply)
 - apply to UTS directly or through one of our official student recruitment agents, partner universities or a UTS representative in your home country
- uts.edu.au/study-abroad-partners
- scholarships, awards and grants available
 - check the website for details, including eligibility uts.edu.au/saex-entry-req-costs

Study Abroad 18 offers you the chance to study a **reduced number of credit points** (18 per teaching session rather than the usual 24) and **pay a lower tuition fee**.

Option 03

Australian language and culture studies

- open to students who do not meet the required English language level to enrol in other UTS study abroad and exchange programs*
- allows you to complete full-time studies to develop your English language skills through the study of Australian language, society and culture
- students who enrol in this program for two teaching sessions may choose to take an IELTS test at the end of their first session to see if they are eligible to transfer into a different study abroad or exchange option for their second session

Theme your study abroad experience!

Want to focus on sustainability during your time at UTS? Or immerse yourself in innovation and creativity? UTS offers themed study abroad guides that allow you to choose subjects from a specific topic for a teaching session. Visit our website to view all the available study areas!

studyabroad-exchange.uts.edu.au

* The minimum English proficiency requirement for the Australian Language and Culture Program is IELTS 5.0 (all bands) or TOEFL Internet Based Test 35 and above with a writing score of at least 17.

Choosing your subjects

As a study abroad or exchange student at UTS, you can choose from hundreds of subjects across a range of study areas: from communication and business, to engineering and science.

Follow the three easy steps below:

Step 01

Check out our pre-approved subject list – a great place to start your search.

Step 02

Take a look at our faculty subject guides or the UTS Handbook for more advanced subjects. Most of these require prior knowledge.

Step 03

Seek approval from your home university before applying to UTS!

Helpful links

handbook.uts.edu.au

Extracurricular programs

Make the most of your UTS studies by pairing your study package with any of the extracurricular programs listed below - at no additional cost! These programs, which can be completed in one session, are a great way to enhance your resume, meet new people and get active about important global topics.

UTS BUILD

A global leadership program with a mission to develop self-aware, informed and proactive global citizens, UTS BUILD inspires future leaders to deliver positive social impact.

UTS SOUL Award

Venture beyond your studies and into the community to upskill, give back and make meaningful change.

UTS Startups

Kick-start your journey with UTS Startups, the home of student entrepreneurship at UTS. No matter what you're studying, you'll be inspired during events, masterclasses, internships, or the opportunity to join our fast-growing startup community.

Study abroad and exchange ambassador

Gain international professional experience while promoting and fostering peer-to-peer connections. Each session, UTS will select two social media-savvy students as ambassadors to strengthen engagement on various UTS platforms and facilitate events.

For more information about each of these programs, visit: uts.edu.au/extra-curricular-opportunities

Arts and Social Sciences

Digital disruption, the rise of new media – these are the forces shaping the communication landscape today. So we've embraced them. We've made them part of what we do, of how we teach, of what we research. Bring your creative vision to life with subjects taught by award-winning authors, journalists and filmmakers.

UTS is ranked in the **top 100 universities in the world for 'Communication and Media Studies'** in the QS World University Rankings by Subject 2021.

*Restrictions may apply

**Students may be required to take a test for placement into the correct language level.

Note: Students will be accepted for coursework subjects in Education on a case-by-case basis. Teaching placements are not available.

- Quantitative Finance
- Statistics

UTS's School of Life Sciences also offers pre and post-session study abroad options, including extensive field trip opportunities across Australia's diverse ecology and landscapes.

For more information, visit studyabroad-exchange.uts.edu.au

Transdisciplinary Innovation

Future-proof your career at TD School, UTS's new home of transdisciplinary education and research. Study at the intersection of creativity, innovation and entrepreneurship, enrich your possibilities and make an impact.

Study areas

- Creative Intelligence and Innovation
- Technology and Innovation

Australian Language and Culture Studies

Develop your English language skills and learn about our beautiful country at the same time. Australian Language and Culture Studies (ALACS) at UTS is the ideal program to master your English and enhance your knowledge of Australia. The program consists of three subjects per teaching session.

Once you've improved your language skills in class, you can take an English language test. If your test results meet the UTS English Proficiency Requirements, you can transfer into other study abroad or exchange programs the following session.

ALACS subjects

(3 per teaching session):

Autumn session (February)

- Australian Language Studies
- Australian Media
- Australians at work

Spring session (July)

- Australian conversations
- Exploring Sydney's Neighbourhoods
- Natural Australia

Housing and accommodation

Secure a room in UTS Housing or get information and assistance on a range of private accommodation options.

Accommodation on campus

UTS's student housing is called Yura Mudang. It's self-catered, secure and competitively priced. The building has spacious communal and barbecue areas, study rooms, as well as a games room, computer room and music room. Managed by the UTS Housing Service, the residence is for UTS students only and offers studio and shared-apartment types. Apartments are fully furnished but you will need to provide your own linen and some cooking equipment.

Independent accommodation

Looking for private accommodation? We recommend getting started with some short-term accommodation in Sydney, so you can check out properties in person and choose

something that suits your long-term needs. Don't pay any money before viewing and being satisfied with a non-UTS property. Until you arrive and get a feel for the area you want to live in, you won't know whether it is right for you.

uts.studystays.com.au

Establishment costs

At UTS Housing, rent includes gas, electricity, water, cabled internet in bedrooms and wireless internet in communal areas. You'll need to budget for the application fee (A\$50), the acceptance fee (A\$130), the bond (equivalent of four weeks rent), two weeks rent in advance, and any personal items, such as bed linen and some cooking equipment. Licence fees are different for each type.

UTS priority housing placement

UTS Housing offers a limited number (150) of beds exclusively for exchange and study abroad students. You must apply early as applications are on a first-come-first-served basis and depend on the availability of your room preferences. Applications open in October for Autumn session (February) and in May for Spring session (July).

UTS has partnered with Scape (private provider, located off-campus) to offer discounted rates for UTS students at some of their residences within close proximity to UTS. If you are interested in this option, click on the 'Scape residences for UTS students' block on the UTS Housing website for more details and to book your room.

Read more and apply at: **housing.uts.edu.au**

APPROXIMATE WEEKLY COST

Rent in UTS accommodation	A\$320 – A\$430*
LIVING COSTS	
 Groceries (food, toiletries, etc.)	A\$120
 Phone (mobile)	A\$20
 Internet	Free cabled internet in room and limited free Wi-Fi access
 Utilities (gas & electricity)	Included
 Public transport	A\$10^
 Total cost	A\$470 – A\$580

This table details approximate weekly costs that you may incur while studying at UTS and living in Sydney. It should be used as a guide only.

It's a requirement of the Australian Government that prospective international students demonstrate they have access to at least A\$21,041 a year (as of October 2019) to fund their living costs and additional funds if bringing partners or family. For the latest figures please refer to the Australian Government website: studyinaustralia.gov.au/english/live-in-australia/living-costs

* Any amount below this will likely be twin share.

^ Transport costs will vary depending on how close you live to campus.

How to apply

uts.edu.au/saex-apply

Academic year and key dates

The academic year at UTS is divided into three teaching sessions (see table below). There is no intake in the summer session for Study Abroad and Exchange students.

KEY DATES	UTS Autumn session [^] (Northern Hemisphere Spring)	UTS Spring session [^] (Northern Hemisphere Autumn/Fall)
Orientation (compulsory)	February	Late July
Main teaching session	February - June	July - November
Mid-session break (1 week study vacation)	April	September
Exams	June - July	October - November
Total compulsory learning weeks	16-17 weeks	16-17 weeks
APPLICATION DEADLINES		
Study abroad and exchange applications	30 October	31 March
UTS Housing priority placement*	Opens early October	Opens early May

Entry requirements

Academic requirements - current university students

You must have completed one full year or more of study at a recognised institution with the following or equivalent grades:

- a 'credit' or 'good' average, or
- a cumulative GPA of 2.5 on a 4.0 point scale, or
- an average grade of 'C' or better on the European ECTS grading scale.

* For details, see page 32.

[^] Some Teacher Education students will operate on an alternative calendar (Calendar D). For more details, see the UTS website.

For all official UTS dates, visit the UTS website and search Principal Dates or Academic Dates.

Academic requirements - high school graduates

If you have not yet completed one year of full-time study at a recognised institution you may apply for admission as a study abroad student if you meet university matriculation requirements and are over 18 years of age. Conditions may apply regarding subject access.

English language requirements

UTS accepts English language test results according to the table on our website, as well as an alternative English Language Assessment from certain European countries. For English language requirements, please visit:

uts.edu.au/saex-entry-req-costs

Tuition fees and scholarships

Scholarships

UTS offers Study Abroad Excellence Awards valued at up to A\$2000 for commencing Study Abroad students. Selection is based on academic excellence in the most recently completed tertiary qualification recognised by UTS for entry in the Study Abroad program. We also offer mobility grants to eligible students from UTS Study Abroad partner institutions.

uts.edu.au/saex-entry-req-costs

Financial aid and loans

If you are from Canada, Denmark, Germany, Norway, Sweden, the UK or the USA, you may be eligible for financial assistance from your home university or government. Talk to your UTS representative or visit:

uts.edu.au/int-financial-aid

Overseas student health cover (OSHC)

You must have OSHC* for the full duration of your Australian student visa. For current OSHC costs and payment options, visit the fees section of our website.

*Students from Belgium and Norway, and in some cases students from Sweden, who have health cover in their home country may be exempt from OSHC.

For further information about your visa requirements, please visit the Department of Home Affairs' website: immi.homeaffairs.gov.au

Refund of fees

For the UTS Statement of protocol on fees, visit: uts.edu.au/int-fees-info

TUITION FEES PER TEACHING SESSION 2023

Study abroad 24	A\$10,800
Study abroad 18	A\$8100
Exchange students	Regular fees paid to home institution

Note: Students undertaking additional credit points will incur additional fees. Tuition fees are subject to change at the beginning of each calendar year. Study Abroad Program tuition fees are \$450 per credit point in 2023. For an explanation of UTS credit points, see page 36.

Credit, classes and assessment

Learn more about classes, assessment and gaining academic recognition for your study at UTS.

Classes, assessment, credit transfer

As a study abroad or exchange student, you must enrol in a full-time study load of 18-24 credit points per teaching session. Credit points apply to all subjects and represent a measure of the student's workload by subject. Most subjects at UTS are six (6) credit points each, except some offered by the Faculty of Arts and Social Sciences, which are eight (8) credit points.

The table below is a guide to the equivalent number of credit points at UTS with your home country.

EUROPE

1 UTS credit point	1.25 ECTS credits
6 UTS credit points	7.5 ECTS credits
8 UTS credit points	10 ECTS credits
24 UTS credit points (full time load)	30 ECTS credits

NORTH AMERICA

6 UTS credit points	approx. 4 US credit hours
8 UTS credit points	approx. 5 US credit hours
24 UTS credit points (full time load)	approx. 15 or 16 US credit hours

CHINA

24 UTS credit points	approx. 7-9 subjects (at most Chinese universities)
----------------------	-----------------------------------------------------

Pre-enrol before you arrive

Subjects approved by UTS are added to your session's study plan. Once they have been added, you can enrol yourself in 18 to 24 credit points before you leave home.

UTS learning and teaching style

Most UTS subjects are taught through a mix of lectures and tutorials, seminars or laboratory sessions and require a minimum 12 to 24 hours' study per week.

Class sizes vary depending on the popularity of the subject and the nature of teaching. Typically, subjects involving tutorial classes have 20 to 30 students in a classroom.

Academic transcripts

The academic transcript is a record of subjects studied, final grades and marks awarded. UTS issues digital transcripts through the MyEquals platform at the end of each teaching session, once the exam results have been finalised.

UTS Study Abroad program students will also be issued with a digital Certificate of Completion and an Excellence Award Certificate (where applicable).
